

Nubo Office

भारत में निर्मित · BUILT IN BHARAT

WRITE · CALCULATE · PRESENT · DRAW

Office for every desk in Bharat.

हर काम के लिए, एक ऑफ़िस।

A complete office suite that opens your Word, Excel and PowerPoint files, works without internet, and costs a fraction of what you pay today.

Write

Documents, letters and reports

Cells

Spreadsheets, budgets and accounts

Present

Slides that look sharp

Draw

Diagrams, posters and flowcharts

Opens your files

Word, Excel and PowerPoint documents, just as they are.

Works offline

No account needed for the files on your own computer.

Online with Nubo Email

Edit together in the browser. Included with your Nubo Email plan.
